REQUEST FOR EXPUNGEMENT

Dear Sir:

This paper is filed in reply to a Response to Appellants' Reply Brief mailed April 3, 2002, received from the Examiner in an appeal in the above-noted matter.

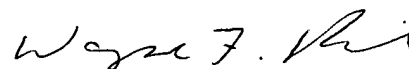

As set forth in 37 CFR 1.193(b)(1), in response to a Reply Brief:

... The primary examiner must either acknowledge receipt and entry of the reply brief or withdraw the final rejection and reopen prosecution to respond to the reply brief. A supplemental examiner's answer is not permitted, unless the application has been remanded by the Board of Patent Appeals and Interferences for such purpose.

Accordingly, as the Response to Appellants' Reply Brief was improperly issued, Appellants hereby request that the paper be expunged from the file prior to consideration by

the Board. In a phone conference with the Board on this date, Appellant's undersigned attorney was advised to request the same.

Moreover, Appellants request that the expungement and forwarding to the Board be done on an expedited basis, since Appellants' Appeal has been prejudiced in terms of the time it took to produce the Response to Appellants' Reply Brief, the attorney time and cost expended in contacting the Board and filing this Request, and the subsequent time for the Examiner to act thereon.
